

PERFORMANCE REPORT OF HOSPITAL ACHIEVEMENTS AND OBJECTIVES

Jamal Noor Hospital was founded in 1967, at present the hospital is a secondary care medical center having 98 beds, comprising of deluxe, private, semi-private and general ward.

We have a well-equipped laboratory, consisting of fully automatic machine, which provide 24 hours service, around the clock .we also have 640MA "TOSHIBA" X-RAY plant with digital system and also advanced technology "DOPPLER" ultrasound machine.

Jamal Noor hospital is a secondary care hospital providing all the special care to poor and needy patients. We have 24 hours well-equipped general laboratory consisting of fully automatic machine. We also provide 24 hours service in X-ray department, having 640MA Toshiba machine with CR system (digital system). We have ultra sound department working both normal and every color Doppler facilities are available in the department. Infrastructure has expanded during the last2/3 years with addition of new Operation Theaters, Intensive Care Units (ICU), P.I.C.U, Laboratory, Consultant OPDs, waiting areas to make it at par with other good hospitals in Karachi. We also have a 24 hours pharmacy which cater in and out patients and we give around 12 % discount to all patients.

Our mission is to serve ailing humanity at large at minimum possible cost, without any distinction of class, community, cast and color. Our charges are quite moderate e.g. GOPD Charges Rs.150/= which include RMO fees. Average specialist consultant charges are Rs.550/=. Dental and physiotherapy charges are also very nominal and reasonable.

The hospital is running for non-affording and deserving patients, a subsidy is given from Zakat Fund, which range from 25% to 100%. At the end of the three years, total subsidy from Zakat Fund are stated below in table.
